

How to ask a question and get advice

Dear users! Before asking a question, we recommend that you familiarize yourself with the library's website at https://lib.vrngmu.ru/. Perhaps by carefully reviewing the information grouped by section, you will find answers to your questions.

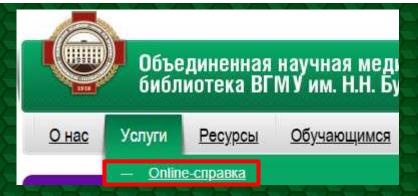

If you can't find the answer to your question and need a consultation with a library staff member, we are happy to help.

1. Any questions regarding the library's operations, as well as suggestions for improvement, can be sent to lib@vrngmu.ru.

2. You can ask a question in the Online Help format.

Задать свой вопрос >>

Please read the Online Help Terms of Use (located at the bottom of the page) carefully. After reading, ask your question by clicking the "Ask Your Question" button and filling out the form that appears.

The library has its own group on the social network VK. You can access it by clicking on the banner on the library's homepage or from the main menu.

You can also ask questions in the VK group. To do this, open "Online Help" in the group's top menu.
